Beginners Stained Glass Course Description

Class Instructional Fee: \$80 – *Tools/Materials not included*

The beginner stained glass course is a four week program meeting for 3 hours each session where you will learn the lead came technique; no experience necessary! Our talented instructors will teach you all you need to know to create your very own stained glass panel. At the beginning of the course there will be instructions on hand tools and a demonstration on proper use. During the four weeks, you will learn pattern making, cutting, soldering, and glazing of a small panel consisting of 20 pieces or less. Any class that involves lead is for ages 18 & up. If you are pregnant, we do not advise you to take any of our classes that involve lead.

Class tuition is due when you register. A one week notice is required if you cannot attend class to have a full refund applied for a future class. No show, no refund. We appreciate proper notice so we can contact our waitlist.

Wait List:

When we reach out to our wait list, it will be based on a first come first serve basis.

Notice to Students:

If you are a beginner student and sharing a tool kit, already have tools or retaking the beginner course, there is an in class supplies fee of \$22.50. "In class supplies" are listed in the beginner kit and are handed out during class.

IMPORTANT *Please make arrangements to pick your pattern and glass before the first session.*****

All students must wear safety glasses. A 2ft x 2ft board, at least ½" to ¾" thick is required by the third class to build your project on. Boards are available to rent from BVRs for \$5. **Students must purchase their own glass for their project.** All materials are available in our retail shop. Students must supply their own paper towels, masking tape, Band-Aids, regular scissors, board and eye wear. **Please do not wear shorts or open toed shoes.** Doors to class room open 10 minutes prior to class start time. Any tools or projects left behind for 60+ days after your final class, BeauVerre Riordan Studios will not be held responsible.. By registering for a class, you agree to be added to our monthly newsletter. Students receive 10% off in the retail store.

*We are a full line supplier for the stained glass industry!
Support your local supplier at BVRs!*Our minimum is 6 students to hold a class.*

Make Up Classes:

We realize that missing a lesson may be unavoidable due to special circumstances so please contact the instructor to discuss options in advance. Classes cannot be made up without proper notice. Please let us know at sign up if you have to miss a class and we will try to accommodate you to make it up. In case of inclement weather, classes will be rescheduled.

For safety, the number of students we want to have in each class is limited, so this can affect how quickly we can work extra students in. No show, no refund.

Tool Kits:

Prices subject to change due to fluctuation in pricing. All students must have their own tools/materials. BVRs has 2 tool kit options, Beginners or Deluxe Tool Kit. Tool kits are already priced with student 10% discount. **Tool kit orders must be paid ONE WEEK before class starts and are non-refundable or can be applied for an in store credit.** If the student is going to share their tool kit with another person, the other person must pay the in-class supplies (\$22.50). We suggest each student has their own glass cutter if sharing.
